24036 SE 258TH Wy, Maple Valley, WA 98038 | MLS #1983312

4 Bedrooms | 2.5 Bathrooms | 2,860 SF Home

Better than new MainVue home is here to impress! Modern open floorplan with full house LVP flooring, abundant natural light, and spacious rooms, this is the house you've been looking for! Office on main and loft on the upper-level suit all your WFH needs and lifestyle. A/C, Tankless water heater, sprinkler system, security system, 3 car garage... all the updates that you want and need are already in place for you to enjoy. Not to mention the oversized cover patio with an outdoor fireplace to keep you warm and dry when you need to entertain during the rainy days. Beautiful neighborhood with friendly neighbors and

convenient commute options. Only minutes away from shopping, schools, parks/trails to fulfill your life needs. Don't miss it!
